## Program Description

This AORN educational offering provides the attendee with an opportunity to learn about all aspects of breast cancer from diagnosis to treatment to life after cancer.

## Program Objectives

1. Discuss steps to diagnosis and treatment.
2. List 3 reasons why a Survivorship Care Plan is beneficial for the individual.
3. Discuss Survivorship for cancer patients
4. Discuss how genetics influence the incidence and treatment of cancer.
5. Identify treatment options.
6. Name available resources and programs for cancer patients.
7. Discuss "life after cancer"
8. Discuss wig selection, body imagine and care for the cancer patient.

## CE Credits

**5.4** contact hours will be awarded. Central San Joaquin Valley Chapter 0502 of AORN is approved by the California Board of Registered Nursing, Provider Number 00607.
